A MESSAGE FROM OUR FOUNDER

As the founder of Fashion Fiesta, I am passionate about empowering local communities through artistic expression and supporting emerging talent. With a mixed background, I understand the importance of diversity and inclusion in creating a cohesive community where everyone has an opportunity to showcase their talents.

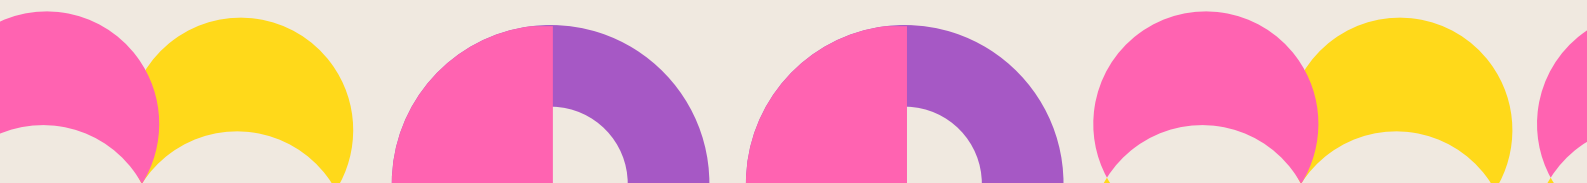

Growing up, I faced many challenges as a teenager in the 90s, but I always remained committed to supporting my peers, regardless of their backgrounds or circumstances. This commitment has led me to create Fashion Fiesta, a community interest company that celebrates diversity and sustainability through the world of fashion and art.

In today's fast-paced world, it's more important than ever to consider sustainable ways of living and lead by example. At Fashion Fiesta, we are committed to promoting sustainable fashion and supporting small communities, and we believe that corporate businesses have a vital role to play in making a positive impact in society.

We welcome the opportunity to partner with like-minded businesses as part of their Corporate Social Responsibility (CSR) strategy. By supporting Fashion Fiesta, you can showcase your commitment to diversity, inclusion, and sustainability while making a real difference in your local community.

Thank you for considering Fashion Fiesta as a potential partner in your CSR strategy. Together, we can make a positive impact on our community and the environment.

ABOUT FASHION FIESTA

Fashion Fiesta is more than just a fashion show – it's a celebration of creativity, entrepreneurship, and charity. For the past eight years, we have provided a platform for independent and upcoming fashion designers from across the Yorkshire region to showcase their collections and connect with leading local businesses.

As we look ahead to the next Fashion Fiesta, we invite you to join us in making it an even more exciting and impactful event. By becoming a sponsor, you can showcase your commitment to supporting emerging talent and making a positive difference in the community.

At Fashion Fiesta, we believe in benefiting everyone who takes part. From designers and models to makeup artists and photographers, we create a supportive and nurturing environment where everyone can shine both on and off the catwalk. Our event encourages the entrepreneurial spirit, with prizes awarded to the most talented designers, makeup artists, and models.

Moreover, Fashion Fiesta is more than just a fashion show – it's a platform to raise funds for charities doing vital work in the community. By partnering with us, you will not only be supporting emerging talent, but you will also be making a positive impact on the lives of those in need.

Join us and become a part of Fashion Fiesta's legacy. Let's make a positive difference in the community while showcasing your business's commitment to social responsibility.
